

HONOUR

Dear Friend,

There are many incredible young people who are overcoming adversity and challenge every day, yet these are not profiled enough. Honouring is a powerful principle. To 'Honour one another above yourselves', is a selfless concept that brings recognition where it is due and highlights success in the face of adversity.

Do you know someone who is facing difficulties and has had tremendous challenges in life, but has chose not to give up? Or maybe someone who has inspired and cared for others even when they have been going through personal difficulties? If you do, please take a moment to consider nominating that person to receive an Honour Trophy, at this years Rocknations conference. At Rocknations 2009 we launched this initiative and honoured amazing people. It proved to be incredible moment for those being honoured and for all present.

At Rocknations this year we are looking to honour young people between the ages of 12 and 30 who have overcome adversity and are making a difference with their lives. Therefore we have produced this nomination pack to recommend the person you are thinking of for an Honour award.

Simply fill out the nomination form contained in this pack and send it to us, along with a photo of the person. Then we will review your application and get back in touch with you.

Please note that we want to keep the nominations as a surprise, so do not let them know you are nominating them. If the application is successful we would need you to keep this a secret until the night of conference when they are honoured.

Nomination Criteria

- *Age 12-30*
- *Someone who has overcome adversity, difficulty or hardship and is an inspiration to their peers*
- *Someone who has a strong faith in Christ and continues to help others despite their challenges*
- *Someone that is a part of your local church or youth ministry*

You must submit your nomination by the 15th of July.
Looking forward to hearing from you soon!

All my best
