BECOME
WEEK TEN

THANK YOU

Thank you for making space in your week to do this study. We hope you feel strengthened and encouraged. We believe that this time together has been powerful and productive.

RECAP

Believe

We hope that this study has helped you Believe in your heart what you have heard over the last few weeks. You have done the work and we believe that new truths and revelation will have been established deep in your soul. When things come that shake you, we pray these truths will be an anchor for you, that your roots and your foundation would be so strong in His truth. Let us be those that truly believe in the truths that we have spoken out over these last few weeks together.

Belong

We are all called to Belong, to be planted in His house and to flourish as part of a community. We pray that as this study comes to a close, you would continue to stay connected! However belonging isn't all about us. We also hope that you will live your lives with an awareness that it all belongs to HIM. That we live as good and faithful stewards of all that He has placed within our hands.

Become

These last few weeks we have asked God to mold us and shape us. To help us become those who want more of Him and less of ourselves. That we would remember our purpose, that it is not just for us to become better but to be light and salt to this world and all those around us!

PARK

Let's take a moment to PARK over all we have learned.

PRAY As we end this series, let's pray for one another. Let's believe with one another and stand for the breakthrough for each other. Let us be ones who encourage one another and remind each other that we are not alone. Take some time to speak the truth over someone today. Why not make a list of things you will commit to pray for each other after this course finishes.

AFFIRM What can you affirm with one another with scripture today? What do you need to affirm in someone today of how you have seen God move in their lives?

REMEMBER Let us take a moment to remember what God has done in each other. The Bible says that there is power in our testimony. Remember that as we testify to each other it will become easier to testify to others.

KNOW Proverbs says that a house is established through understanding and wisdom. What do you know now that you didn't know before? Choose today what you want to continue building on.

PRAY Don't be pulled in different directions or worried about a thing. Be saturated in prayer throughout each day, offering your faith-filled requests before God with overflowing gratitude.

Philippians 4.6-9

Don't allow your emotions to overwhelm you. Don't allow panic or stress to enter, rather be saturated in prayer throughout each day. Make sure you are bringing faith-filled requests, not fear-filled ones and soak your prayers in thanksgiving.

AFFIRM Tell Him every detail of your life, then God's wonderful peace that transcends human understanding, will make the answers known to you through Jesus Christ. So keep your thoughts continually fixed on all that is authentic and real, honorable and admirable, beautiful and respectful, pure and holy, merciful and kind.

Philippians 4.6-9

By taking control of our thoughts, we can affirm what is good and honourable. We are not only told not to worry, we are told how to replace these anxious thoughts with the things of God instead.

REMEMBER And fasten your thoughts on every glorious work of God, praising Him always.

Philippians 4.6-9

Fix your thoughts on all God has done and all He will do. Remember what He has done in you even in these last few weeks together.

KNOW Follow the example of all that we have imparted to you and the God of peace will be with you in all things.

Philippians 4.6-9

Decide how you are going to move forward - know that He has a purpose for you, as you believe in Him, belong to His Church and become all He has called you to be.

Let's PARK together! How are you going to let this study impact your life? Why not become a leader of your own small group and help others PARK up together.
