PRAYER  
GUIDE  
DEVOTIONAL

Dear Church,

Happy New Year!

As your Pastors we love you and pray for you constantly, thanking God for you and lifting you before our Heavenly Father.

As we enter 2021 we want to make sure we start this year together strong! Last year more than ever we have been aware of the importance of “together” and we have all found creative ways to be together as family and with loved ones; from online to social distanced walks, we have never been more aware of this.

So we want to start this year together in strength and in prayer. There is nothing like the simplicity and power of prayer, talking to Your Heavenly Father who loves you and loves to hear your voice, who is ready to answer our prayers and to do more than we could ever ask, hope or imagine. So we have created this prayer guide as a gift from our heart to yours, to encourage us all to pray and seek God’s presence, together.

Jesus said “Seek first His kingdom and His righteousness, and all these things will be given to you as well.” (Matthew 6:33) Let’s choose to pray and SEEK FIRST God’s kingdom in all situations.

We are expectant for what focusing on prayer will do for each of us personally in our relationship with God, and what it will do in us together; for the ones that we love and for the unity this will bring in our church family and community.

We feel very privileged to be leading you into another year and we thank God that He is with us as we step into 2021 together!

With much love  
Steve & Charlotte Gambill

## Bring Everything Near

---

### STUDY

*Don't worry about anything; instead, pray about everything. Tell God what you need, and thank him for all he has done. Then you will experience God's peace, which exceeds anything we can understand. His peace will guard your hearts and minds as you live in Christ Jesus. Philippians 4:6-7*

Write this verse out in your journal and highlight any words that stand out to you. Why do these particular words stand out?

---

---

---

### APPLY

Identify and write down any areas in your life that you are concerned or worried about. Remember it says everything, no matter how big or small it may seem to you; He cares about every detail.

---

---

---

### PRAY

- Now let's do what the verse says. Let's pray about everything. Why it's worrying you, who it affects, how you feel. Bring everything to Him and like the verse says, tell God what you need.
- Let's take the next step in this verse, thank Him in prayer. Thank Him for who He is, for what He has done and thank Him in advance for what He will do.
- This verse says He gives you peace. Thank Him for God peace and choose today to receive His peace that exceeds your understanding and guards your heart and mind.

## Near In Your Thoughts

---

### STUDY

*Finally, brothers, whatever is true, whatever is honourable, whatever is just, whatever is pure, whatever is lovely, whatever is commendable, if there is any excellence, if there is anything worthy of praise, think about these things. Philipians 4:8*

Write out the key words above – true, honourable, just, pure, lovely, commendable, excellent, praiseworthy. Now write down next to them anything that you personally associate with these words. It could be things God has done, scriptures or anything from your day-to-day life like relationships or prayer.

---

---

---

### APPLY

Now think about how this list relates to your thought life. Do you find yourself thinking about these good things often? If not, try and identify things that you are thinking about and if needed, how you can begin to replace those thoughts with good thinking.

---

---

---

### PRAY

- Pray about the good things you have written down. For example if you wrote down “Bible” next to the word “true” then thank God for His word, and that is a light to your path.
- Now pray over any areas where you need to change your thinking. Where you identify negative thoughts go to the Bible and find a biblical truth to replace that thought. You may want to write down positive statements to replace any negative ones.
- Now take a moment to thank Him that He is the one that is truly good and true and lovely and commendable, excellent and worthy of praise. You may want to put a worship song on to help you do this.
