

The background of the entire page is a photograph of three young adults sitting on a set of wide, grey concrete steps. On the left, a young man with curly brown hair and a beard is wearing a blue and white striped polo shirt and blue jeans. In the center, a young man with short black hair and a beard is wearing a black t-shirt and blue jeans, smiling broadly. On the right, a young woman with long brown hair is wearing a white button-down shirt and blue jeans. They are all looking towards each other as if in conversation.

MODULES

SPIRITUAL FORMATION

APR-JUN | 20 CREDITS

Theology is not only an academic discipline, it is practical. For a Christian, theology is practised daily, not only through our words but by our conduct. This module will explore the practices which enhance and bring value to our understanding of God and our relationship with the divine.

CULTIVATING A HEALTHY CULTURE

APR-JUN | 20 CREDITS

In an ever changing world the Church continues to proclaim a message of truth, hope, love, and peace. How we facilitate our churches is always changing but the necessity of integrity and faith does not. In this module students will be equipped with a better understanding of the practical knowledge and tools they will need for the efficient and effective running of a ministry and/or church as an organisation.

FOUNDATIONS OF FAITH

SEPT-DEC | 20 CREDITS

This course provides an overview of key Christian doctrines within an orthodox, evangelical theological worldview. These doctrines lay the foundation of our faith and provide a solid grounding in biblical Christianity, equipping students to engage with a world full of curiosity and questions about our faith. Sessions include the Doctrine of the Trinity, Christology, ecclesiology, eschatology and more!

MODULES

CHRISTIAN LEADERSHIP FOR TODAY'S CHURCH

SEPT-DEC | 20 CREDITS

Christian leadership is based on the principles of the kingdom of God revealed in scripture and requires humility, integrity and faithfulness. This course will equip students to develop a better understanding of leadership in a Christian context, considering not only personal development but also the establishment and continual development of a culture which is naturally formed by leaders.

Sessions will include leadership case studies, personal development, theology of power and the marks of biblical leadership.

BIBLICAL STUDY SKILLS

JAN-APR | 20 CREDITS

Scripture is the inspired word of God and was written by particular authors, in a particular time, for particular purposes. In studying scripture we seek to understand what it says about itself, and this course will equip you with the tools to faithfully interpret biblical texts for study, preaching, teaching and more.

Sessions include textual interpretation, exegetical practices, literary criticism and Old & New Testament cultural contexts.

MINISTRY TRAINING

Ministry training is a deeply practical element of the course, available for full time students. Students will train within a department alongside a member of Life Church staff, giving you an invaluable opportunity to develop the skills you need for ministry. Our desire is to see graduated students returning to their local church families and build the Kingdom right where they are.

Life Church College gave me the space to be empowered and poured into - not just by God but by the wonderful leaders and team. I graduated feeling more confident about who I was and what God had called me to.

STUDENT EXPERIENCE

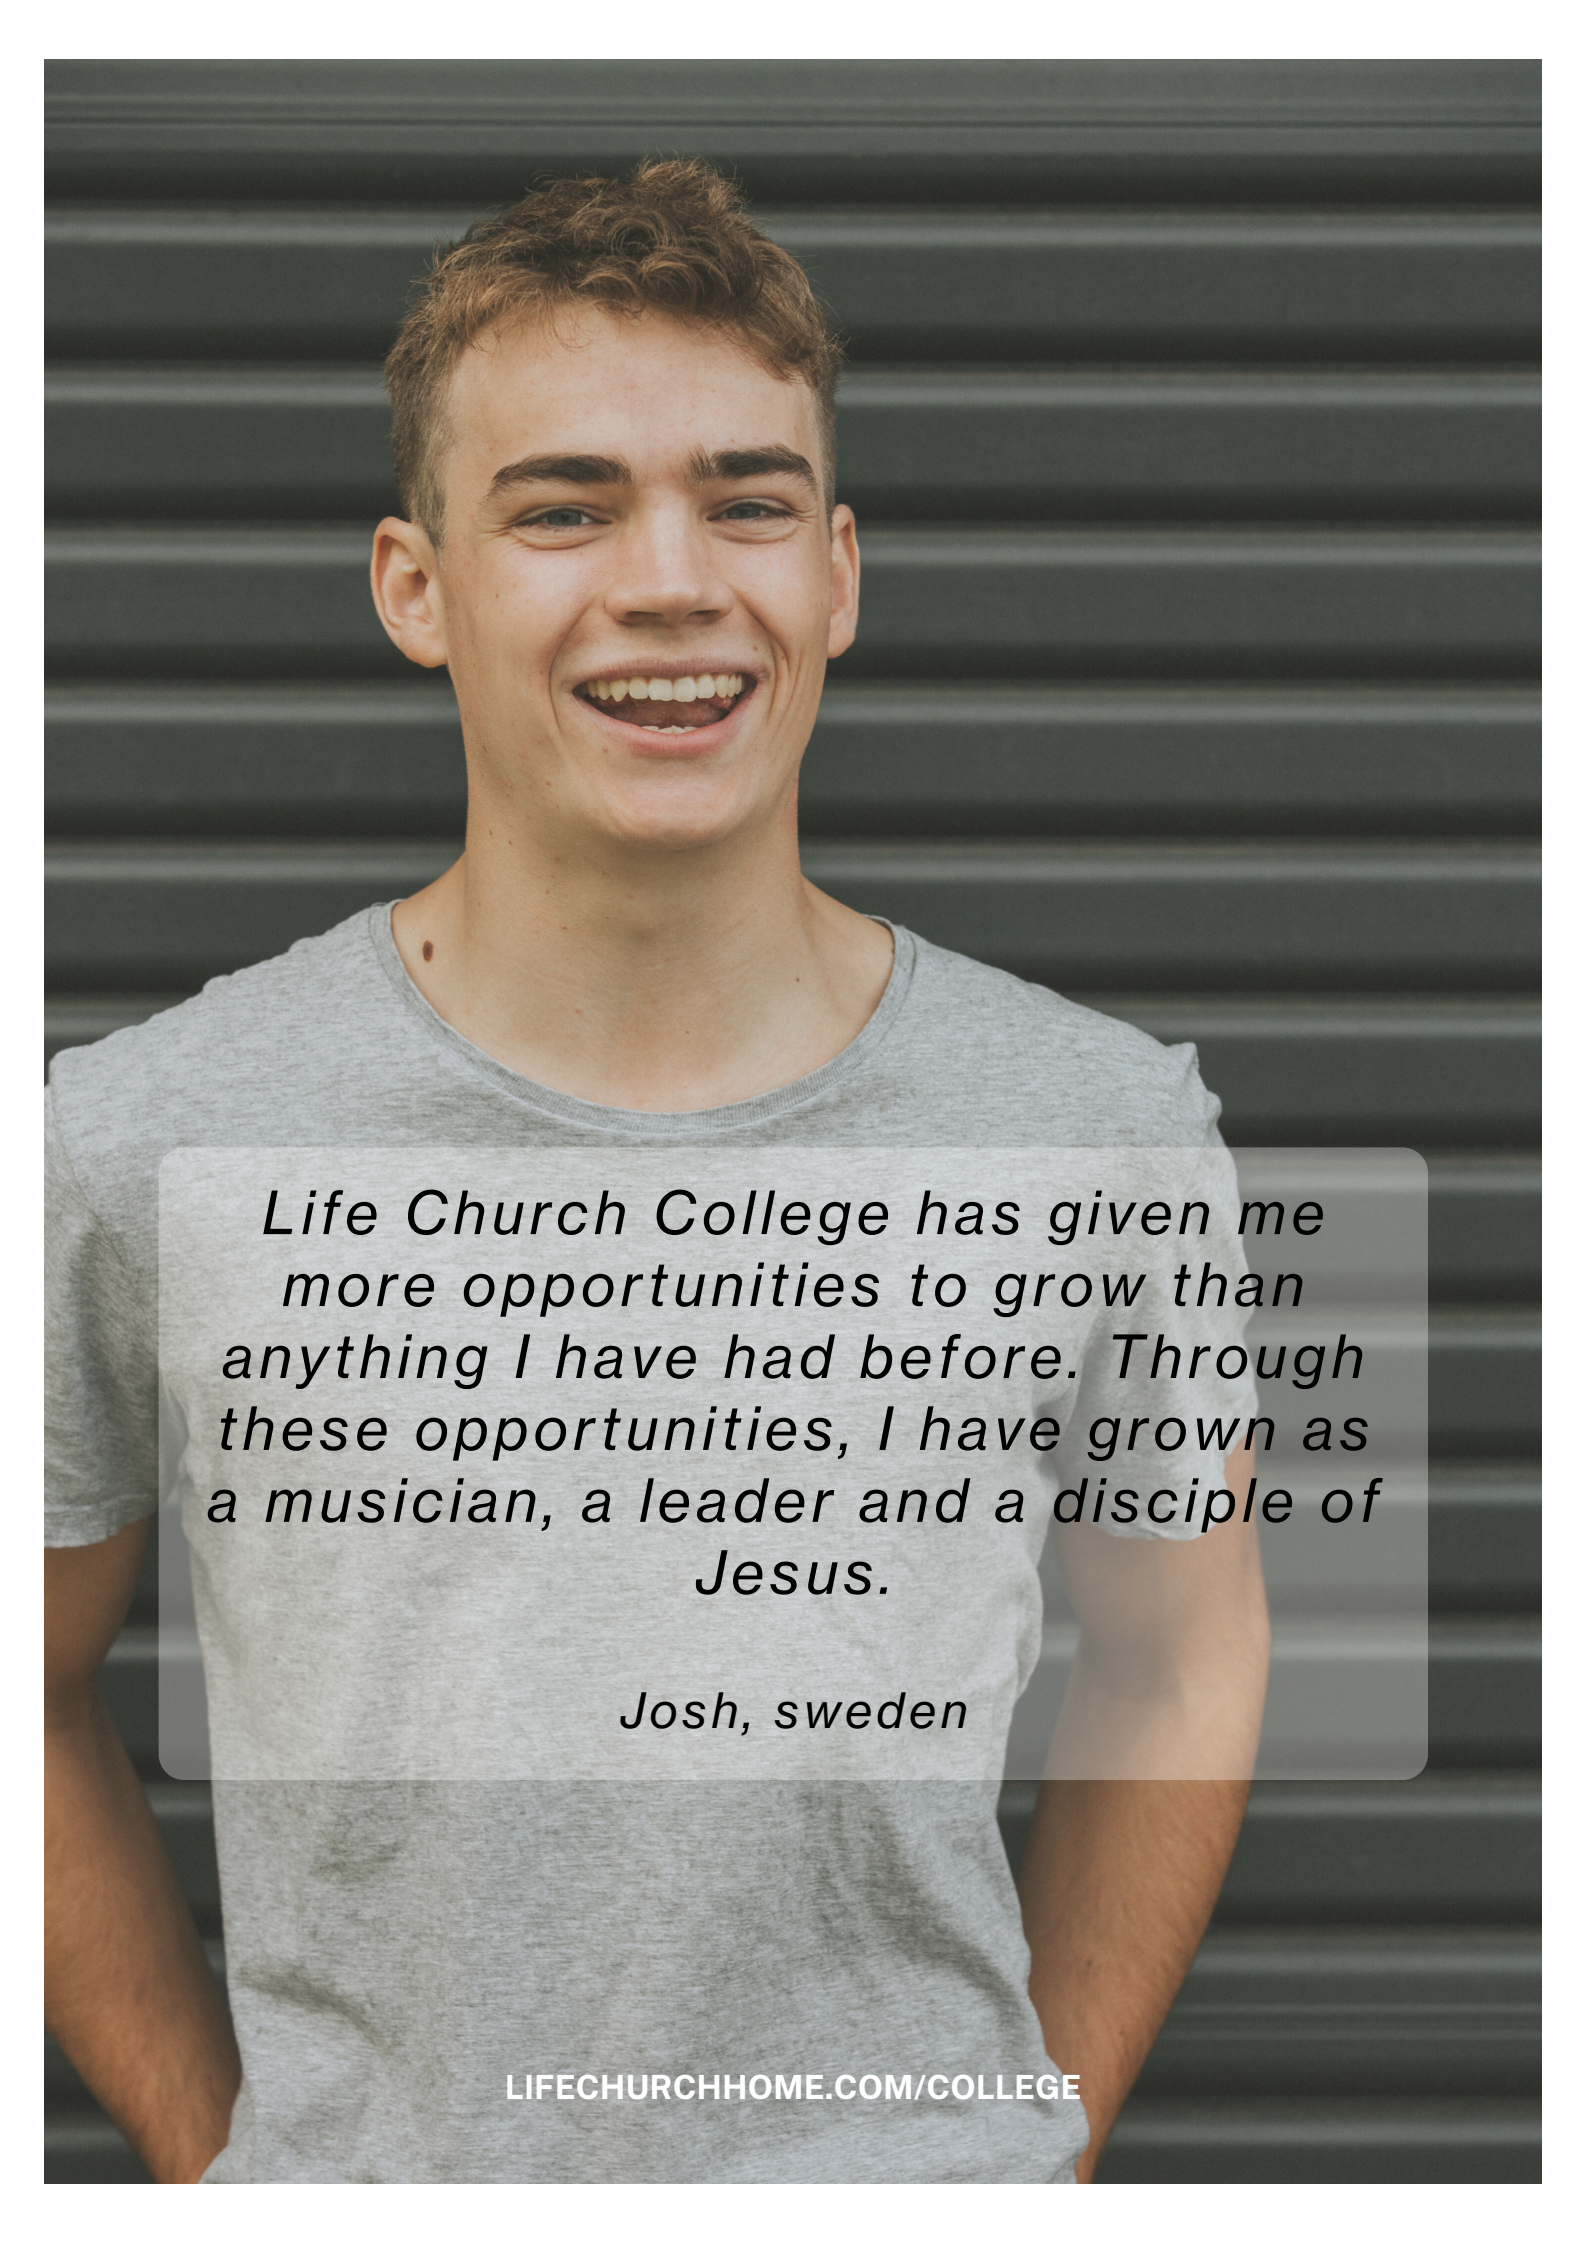

Community

Community is a huge part of the student experience at LCC! We have a diverse student body with many international students joining us each year, so we value learning about one another's culture and background. Students also have many opportunities to serve the city of Bradford together through our church outreach and evangelism programs.

College intentionally plans opportunities for students to build community outside the classroom, with day trips to the beautiful West Yorkshire countryside and coast as well as BBQs, games nights and much more. These moments help create spaces where we can get to know one another and encourage, exhort, uplift and empower each other. You're not just on a course - you're part of a family.

Church Life

Students will have access to pastoral care within LIFE Church, and benefit from the wider church community in the form of Life Groups and volunteer teams. Students attending part time or short courses, who attend a different church, still have access to pastoral care within LIFE Church but are not expected to volunteer in our church.

Life Church College has given me more opportunities to grow than anything I have had before. Through these opportunities, I have grown as a musician, a leader and a disciple of Jesus.

FAQS

Are the modules credit bearing?

Yes! We have modules approved through Wrexham Glyndwr University. These modules are 20 credits each at level 4. When you pass and complete the requisite modules you will receive a Certificate of credit from the University.

Will I be able to get a student loan to help me with my fees?

LIFE Church College students are currently unable to access government student loans, however the LIFE Church College is registered with an organisation called Stewardship. Through our link with Stewardship it is possible for students to receive an extra 22% of funds donated to them if they are given through Stewardship. So a gift of £1000 can become a gift of £1220 through their help. This money can be used to pay tuition fees, but students can also use it to support their day-to-day living costs such as rent or food bills.

For more information visit the Stewardship website and look at the bible college students section.

What age are students?

All students must be over the age of 18 to study at LCC. We have no upper age limit, as we believe everyone can and should grow in theology and leadership. However, the majority of our full time students are between 18 and 35.

Is there an online option?

Online provision can be made available for part time students, please contact the college office for more information.
